

## GETTING TO KNOW SYCHAR LIBRARY

1. The best way to get to know our library is to visit in person, at least initially. While you are welcome to visit whenever SYCHAR is open, the best time if you wish to speak with our librarians (Clare Smith, Debbie Bowdler, Sheila Sarquis) is on Tuesdays between 9.30 am and 12.00 noon. Alternatively, you can contact them on [Sychar-library@outlook.com](mailto:Sychar-library@outlook.com).
2. You can also search for books in our library via the link <https://www.librarycat.org/lib/SYCHARLIBRARY> which will bring you to a web page similar to the following:

### SYCHARLIBRARY library

Welcome to the library.

- The TinyCat *search for* bar allows you to check the availability of a particular book, books by a particular author, or books containing a particular word in their title (for example, “meditation”.) The drop down box on the right provides for an advanced search which widens search possibilities. It is probably easiest to use the Subject field for this but you may need to experiment with alternative names for the Subject you are researching.
- Clicking on a particular book brings up a description of its contents. These descriptions written at the time of the book’s publication may or may not be helpful to you.

**Please feel free to contact the librarians at the above email address if you have any difficulties or questions.**
