

## Awakening to the Giftedness of Male Spirituality:

living the male life that God has called us to

facilitated by Robie Jayawardhana and Jason Obst

When men behave badly, we call it "toxic masculinity". If men behave well, do we have a label for it? Do age-old concepts like "gentleman" or "chivalry" have a place in 'woke' culture? What does it look like to be the man that God is calling us to be?

(As required, the convened group may wish to negotiate changes in schedule)
